**MUNICH – BERLIN – FRANKFURT – COLOGNE**

*You will immediately think to Allianz Arena, the 2<sup>nd</sup> highest stadium in Europe which hosted the Champions League final in 2011 with its characteristic white shape and Bayern Munchen. But in Germany you will also find the huge creative castles like the castle of the Beauty and the Beast, all the decorated houses with big roofs, typical food and fairy tale forests.*

*A romantic country you will keep in your heart!*
